Dear Mrs. Manley,

Received your letter of April 17th.

I imagine that Forbes just told them that the Yankee games on Saturday were going to be played at Paterson. Dont worry I wont book your game in Paterson. It will probably be in Staten Island. Expect to complete arrangements early next week. and will let you know at that time.

Glad you wrote Alex about the dates you inquired about.

I did receive your schedule.

Hope we get good weather as I feel we shall have a good season.

Very truly yours,

Wahenschue
